Hello,

Thank you! No need to file something – the Court will grant it based on the lack of objection.

Thank you,

Hello. I just spoke with Kathleen. We're fine with the extension. Do you need me to file something that shows our assent?

Please give me some time to confer work Kathleen. Considering how your office filed waivers of service on our behalf initially, I was assuming that was your standard practice.

Thank you so much.

Hello,

I hope this finds you well. I am checking in on the status/applicable deadlines of this matter. I see that your Amended Complaint added a number of new defendants, some of which may end up being represented by the DOJ. Has service been completed with regard to the new defendants?

Please let me know re. the above/ re. expected timeline for service if not. We are thinking that it will make sense to consolidate the deadlines for the

defendants represented by the DOJ.

Please also let me know if you assent to extending the response deadline for the State Defendants to June 30, 2025. We plan to file a Motion to Extend tomorrow. Depending on the status of service, and depending on our representation, the goal would be to consolidate deadlines for the new defendants represented by DOJ with this June 30 deadline.

If you would like me to look into accepting service for the new defendants who may be represented by our office (ex. the State Troopers), just let me know.

Thank you,
Shawna
